NEWS AND VIEWS . . . **And What Have You** 

This is a strange week for weekly column writers. This column is normally written on Monday and has to be written no later than Tuesday and the presidential election is Tuesday.

By BOB CRAIG

What this means is that when you read this you will know who won but when it was written we did not

So for that reason we will turn our thoughts to football.

Those of you who missed the Haskell game Friday night because of the bad weather missed one heck of a ballgame.

Coach Bill Grissom has to be proud of every one of his charges. They all played a superb game. If the weather was a factor in the contest and we felt that it was then it had to favor Haskell. Since the rain stopped before the game the biggest problem was the mud and the poor footing.

This hurt Hamlin's speed but did not cut down very much on Haskell's passing attack.

Haskell's size was also a factor as they seemed to be a little bit larger which was an advantage in the muddy battle in the line.

But in the end it was the Piper's determination, desire and winning attitude that over came all of these disadvantages.

Now it is time for the Pipers to turn their full attention to a good Crowell Wildcat team that only has a tie marring its district record. This tie was with Munday and both Hamlin and Haskell can attest to Munday having a good ball club.

All the local football fans that were in Lubbock Saturday for the Texas Tech-Texas game also saw a good battle. It was one of those games that wiless of who you were for it standards a good game. Of course if your team won then it was an even better game.

Like all of the other fans from Hamlin that made it to the game, we were disappointed that Johnny did not see more action. From our partisan point of view we kept feeling that if they would just give him the ball he would win it for the Longhorns. Since he was nursing an injury it was probably better that he did not play too much but we still would have liked to have seen him get the ball a time or two at least.

For one reason or another the people of Hamlin are not supporting the United Way Campaign this year like they did last year. What these reasons are we do not know.

From the small size of far too many of the donations it would appear that many people are treating this as just another fund campaign and forgetting that they are supporting 14 campaigns at one

This is the biggest problem that faces United Way Campaigns across the country. Too many people will give a dollar or two or even five every time someone calls on them. Because of this thinking they would give from 10 to 14 times as much if we had 10 to 14 drives instead of the one.

But that is the whole point of a United Way Campaign...make one drive do the work of many. Apparently about the only ones that like this method are the workers because the givers this year are giving like this was just one of many drives.

Sure, we still had other drives last year but for the most part they were educational and fund raising drives for health related organizations. And some of these will

always be with us. But the United Way Campaign worked here last year and it can work again this year if we will only remember that when you only give \$10 to the United Way Campaign you are giving. . .

-30 cents to the Arthritis Foundation.

-50 cents to Cystic Fibrosis.

-35 cents to Birth Defects. -Continued on page 4

## **United Way Campaign Still** Short \$4,000

The Hamlin United Way Campaign is still short over \$4,000 of reaching its goal of \$14,000, it was reported at a meeting of the campaign chairmen here Monday evening.

A total of \$9,704.17 in pledges was reported at the meeting with most of the prospect cards having been turned in.

Anyone who has not been contacted or any one who would like to increase their pledge that has already been made is urged to call or go by the Hamlin Board of Community Development office in the city hall, according to George Bonds, campaign chairman.

Campaign workers pointed out this week that if the campaign fails to reach its goal that each of the participating agencies will each receive a proportionate amount of the funds available.

The Monday evening report

indicated that about 70 per cent of the goal has been reached which means that each of the agencies would receive 70 per cent of the amount indicated on the pledge cards. As an example, the West Texas Rehabilitation Center would receive only \$1,400 instead of the \$2,000 that they would receive if \$14,000 is raised.

The \$14,000 goal would provide the following amount of monies for these participating agencies: Arthritis Foundation \$300, Cystic Fibrosis \$500, Birth Defects \$350, West Texas Rehabilitation Center \$2,000, Cancer Research \$750, Salvation Army \$1,000, Heart Research \$350, Summer Recreation Program \$840, Summer Baseball (boys and girls) \$1,500, Hamlin Child Care Center \$2,200, Boy Scouts of America \$1,000, Girl Scouts of America \$1,000, Local Scouting \$750, Hamlin Stock Show \$750.

## District Title On Line In **Game Here With Crowell**

The District 7-A title will be on the line for the Pipers here Friday night when they host the Crowell Wildcats. A Piper win will give the title to Hamlin while a Crowell win could leave the title still undecided until the following week.

The Pipers will go into the game with a perfect 5-0 district mark while the Wildcats have a tie on their record to give them a 4-0-1 mark. Going into Friday night's action Munday is in third place with a 3-1-1 record, Haskell has a 3-2 mark, Knox City stands at 2-3 along with Paducah and Rotan and Aspermont are both looking for their first district win.

While the Pipers are hosting Crowell, Rotan will be at Aspermont, Haskell at Knox City and Paducah at Munday.

Coach Bill Grissom said this week that the problem facing the Pipers will be getting back down to earth after their big victory over Haskell last week. He said that Crowell has a good team and plays extremely well on defense. "We can't give them an easy touchdown or two and expect to beat them," he said.

Crowell has given up only 21 points in district play this season, the same as the Pipers, and have given up only 40 points this season. The Wildcats are 5-1-2 for the season and have scored 144 points with 111 of these in district play. The Pipers have scored 219 points on the season and have given up 50 points.

Last week while the Pipers were defeating Haskell in the mud, 17-8, the Wildcats were defeating Aspermont 27-0. In other District 7-A games Munday defeated Knox City, 18-6, and Paducah defeated Rotan, 19-0.

The Wildcats will be fielding a big team with two offensive linemen over the 200-pound mark. The offense is led by Quarterback Tommy Tamplen, a 160-

pounder who has good speed and can pass. In the backfield with him will be Don Johnson (135), Oran Carroll (165) and Jay Wall (150). Wall has good speed and is a break-away threat. The ends for the Wildcats will be Randell Russell (165) and Marvin Coleman (165), the tackles will be Willie Bachman (200) and Steve Criss (170), the guards will be Erwin Jackson (215) and Jerry Daniel (145), and the center will be Rocky Marlow (160).

The heart of the Wildcat team is its defense with its front five averaging about 190 pounds. They have two good linebackers in Jerry Daniel (155) and Willie Bachman (200). Bachman is rated as one of the better linebackers in the district.

#### CARRIES BOTH BOXES HERE—

## **Carter Elected President**

Hamlin voters in both voting boxes joined voters across Texas in giving Jimmy Carter the state's 26 electoral votes in what turned out to be the key state in his victory over President Gerald Ford for a four-year term in the White House.

Early Wednesday morning returns indicated that Carter had received 272 electoral votes to win. He needed 270. Texas was the key in his victory as it was the only state west of the Mississippi to go for the former Georgia Governor. Late returns show Carter with about a 100,000 vote lead over Ford out of the 3.5 million votes cast in

With one Stamford box still not through counting Wednesday morning, Carter carried Jones County, 2,510 to 1,459. The Stamford box cast 1.451 votes and because of the write-in campaigns for Commissioner workers were still counting at 8 a.m. Wednesday morning.

In Hamlin's Precinct 1 voting box (855 votes cast) the results were as follows: For President-Carter, 519 and Ford 327.

For the U. S. Senate-Bentsen 549 and Steelman 247.

For Place Two, Supreme Court-Yarbrough 279, Lorance 231 and Houston 142.

Amendment One-For 378 and against 205.

Amendment Two-For 388 and Against 173. Justice of Peace, Precinct

1-Louis Stinnett 151 (write-In Hamlin's Precinct 14 voting box the results were as

follows: For President-Carter 122

and Ford 40. For the U.S. Senate-Bentsen 124 and Steelman 35. For Place Two, Supreme Court-Yarbrough 91. Lorance 30 and Houston 19.

and Against 30. Amendment T and Against 29.

Amendment One-For 51

Justice of Peace, Precinct

1-Louis Stinnett 14 (writeins).

Incomplete Jones County totals (without Stamford box) the results were:

For President-Carter 2,510 and Ford 1,459.

For the U.S. Senate-Bentsen 2.689 and Steelman 1,111.

For Place Two, Supreme Court-Yarbrough 1,972, Lorance 612 and Houston 461. Amendment One-For

1,531 and Against 1,244. Amendment Two-For 1,629 and Against 1,069.

Texas voters, along with going for Carter, also reelected Lloyd Bentsen to the U. S. Senate over his Republican opponent, Alan Steelman.

In the race for Railroad Commissioner it was Democrat Jon Newton over Republican Walter Wendlandt. Don Yarbrough overcame the write-in campaigns of both Tom Lorance and Sam Houston to win a place

on the Supreme Court. Only one of the two Amendments gained approval of the Texas voters with Amendment One going

down in defeat. Nationwide the returns indicated that Carter received 51 per cent of the popular vote to Ford's 48 per cent. He took this lead early in the returns and held it throughout the night. The key to Carter's victory was his sweep of the solid South, including the key state of Texas.

Tuesday evening com-petition of Hamlin Duplicate Bridge Club resulted in a first place win for Mrs. Ray Sonnenburg and Mrs. Gene

Second place was won by Mrs. W. L. Hunter Jr. and Mrs. L. W. Shivers, and third place went to Dr. Richard Moore and Bobby Graham, both of Abilene.

president, presided.

#### Rev. Marcom To Present **AARP Program**

A special slide presentation of the Holy Land will be presented by the Rev. Howard Marcom at the 6 p.m. covered dish supper meeting of American Association of Retired Persons at the high school cafetorium.

The slides were taken when the Rev. Marcom, pastor of First United Methodist Church, toured the Holy Land

Hostesses will be Mrs. Cleo Perryman, Mrs. B. E. Mixon and Faye Stice.

All members are urged to attend and visitors are welcome.

#### Mrs. Shira Hosts Class Meeting

Homemakers Sunday School Class of First Baptist Church met Thursday evening in the home of the teacher, Mrs. Bill Shira. Mrs. Harold Nelson, outreach leader, presided during the business session.

Plans were made for the Mission Action projects which include sponsoring a 13-year old girl in Guatemala, and projects at Holiday Lodge, including bi-weekly Bingo games for the residents. Mrs. Bob Craig, Mission Action chairman, outlined projects and members were assigned to various responsibilities.

Other attending were Mary Helen Campbell, Mmes. John Mrs. Routh H. Steele, Eugene Baker, Joe Wayne Carter and Bob

#### YHT Chapter Meets Monday For Program

Young Homemakers of Texas, Hamlin Chapter, met in the home of Mrs. Roy Pritchard Monday.

The program was presented by Mrs. Katheryn Cawley of Abilene, a representative of Lone Star Gas Company. The program, entitled "Christmas Freasures," included m food and gift ideas.

Members are urged to bring gifts for the state school in Abilene and canned goods for a Thanksgiving basket to Edith Carter by Nov. 22.

The Christmas dinner is scheduled for Dec. 18 in the home of Mrs. Joe Wayne Carter.

Refreshments were served to the following members and guests: Mmes. Glen Mc-Millen, Chris Pena, Robert Moore, Paul Spalding, Mac Reid, Steve Feagan, Larry McCoy, Cleon Warner, Don Bockmon, Pat Willoughby, Raymond Nichols, Joe Wayne Carter, advisor, Burt Oliver, and also Debra Crumpler, Debbie Scarborough, Reta Oliver, and guests, Mmes. Jack Vaughan, Ray Scifres and Rex Reynolds.

#### Birthday **Parties Held**

The monthly birthday party was held at the Day Care Center Tuesday, Oct. 26, for all the children having birthdays in October.

Birthday cake and punch were served to 30 children. Celebrating October birthdays were John Graves, 1, son of Mrs. Ann Graves; Shannon Jones, 4, son of Marylynda Jones, grandson of Mr. and Mrs. W. A. Hawkins; Brenda Marshall, 5, daughter of Mr. and Mrs. John C. Marshall Jr.; and Kayla Lee, 3, daughter of Mrs. Pam Lee.

#### Art Club Sets Meeting Here

The Hamlin Art Club will meet Friday at Art Studio and Gallery for a painting session from 9:30 a.m. til 3

All members are urged to come and paint.

A business meeting will be held at 11 a.m.

Classified deadline is 8:30 a.m. Wednesday.

#### **EXTENSION AGENT SAYS—**

## Time to Plant Flowering Bul's

Just because winter is closing in doesn't mean it's time to stop planning or planting your garden, says Kirby Clayton, county agent for the Texas Agricultural **Extension Service.** 

Now is the time to plant the sleeping beauties of the garden-spring flowering bulbs. These include tulips, hyacinths, daffodils and crocus, and October through early November is an excellent time to make your purchases, advises Kirby Clayton.

"Most failures with bulbs are due to holding them too long so that they become desiccated, or planting them so late in the season that there is insufficient time for

rive," reminds Clayton. Plant daffodils and crocus as soon as possible after

purchase. However, tulips and hyacinths require a little extra preparation. They require pre-cooling before planting, and gardeners can do this by chilling the bulbs in the refrigerator until mid-December.

freezing temperatures ar-

When planting spring flowering bulbs, place them in a well-drained, raised bed in full sunlight. Till the soil well and add two pounds of a complete fertilizer for every 100 square feet of bed area. suggests Clayton.

"Plant the bulbs so the base of the bulb is at a depth that is the roots to grow before three times the diameter of

### Make Your Own **Upholstery Shampoo**

cleaning rugs and upholstered furniture by making your own shampoo, suggests Mrs. Necy Wilburn, county Extension Agent.

A quart of cleaning shampoo at the store costs about \$2, but you can make the same cleaner for less than 10 cents, according to the agent.

Use a rotary egg beater to whip one-fourth cup of light duty detergent with one pint

## Hosts Class **Thursday**

Service Class of First Baptist Church met Thursday afternoon with Mrs. Tom Routh. The devotional was presented by Mrs. Bonna Bell Porter on the rose and thorns. Refreshments of cake, tea

and coffee were served. Others attending were Mmes. Edgar Duncan. teacher, R. C. Ritchey, Fred Allen, S. C. Ballew, O. L. Jenkins, Troy Austin (member in service) and W. V. Walton.

#### Phebean Class Plans Dinner

Phebean Sunday School Class of First Baptist Church met Oct. 26 in the home of Mrs. Henry Albritton for a devotional presented by Mary Holmes and a business meeting.

Plans were discussed for a Thanksgiving dinner in November.

Others attending were Billye Goodman, Raye Gregory, Georgia George, Evelyn Bingham, Llynn Parker, Zelma Perryman, Leona Carter, Mildred Weaver and Maggie Wain-

To prepare the upholstery or rug for cleaning, first thoroughly vacuum any dust and ground-in-dirt. Then clean a small area at a time with a soft brush or mechanical shampoo applicator, using only the dry suds, Mrs. Wilburn said.

It's a good idea to try this first on an inconspicuous area of the item to make sure none of the colors bleed, the agent pointed out.

If the colors don't run, continue rubbing the suds into a little area at a time in overlapping circles. Remove the soiled lather with a spatula from each small area before going on to the next. Rinse each time with a clean, slightly damp cloth or sponge, she continued.

If the suds begin to break down before the job is done, beat them up to a stiff dry foam again.

Speed drying of the surface by using an electric fan or reverse warm air blast from your vacuum cleaner, Mrs. Wilburn said:

#### **HD** Council Plans Party

## FROM THE FILES ...

FIFTY YEARS AGO

(November 5, 1926) The Herald observes that Dr. L. P. Mc-Crary, a specialist in the treatment of the eye, ear, nose and throat, and his son, Dr. Joe W. McCrary, Dentist, have just completed the installation of equipment in their new suite of rooms in the Walker Building. They have the entire upper story of that building in use. Probably there is no better arranged suite of office rooms in this part of the state than these doctors have now in use. There is the dental office and its laboratory room for Dr. Joe W. McCrary and there in another room for the operations on the eye, ear, nose or throat and a special examination and equipment apartment for Dr. L. P. McCrary. There is one well furnished joint waiting room for both doctors, and also one well arranged rest room for -patients from either operating chair.

Dr. L. P. McCrary has practiced in Hamlin for a number of years and he has built up here a reputation of efficiency that is hardly realized by most Hamlin citizens.

Pretty homes are still being built. This week finds good progress being made on the Taulman home that is being built just west of the W. W. Green new residence. Mr. and Mrs. Taulman have recently moved to Hamlin from Hubbard and to show their faith in Hamlin, they are soon to move into this modern bungalow of their own.

The First Methodist Church building is being rushed fast when weather will permit. It is taking on form now that gives the observer a clear idea of what it will look like when finished. It is going up in the most substantial material and workmanship. Not only will the Methodist people be happy over the completion of this church building but every person in Hamlin will be glad to see it finshed, and dedicated. Good church buildings, if well attended, mean more to a community than any other enterprise.

A delightful party was enjoyed Tuesday afternoon at the home of Mrs. Sam Adkins, when she entertained a number of little folks, in compliment to her little daughter, Miss Elouise on her fourth birthday.

Various games were enjoyed and at the conclusion of the play hour the hostess served a lovely refreshment plate consisting of sandwiches, potato chips, pickles and hot cocoa with individual birthday cakes to Mignon Waggoner, Louise and Robert Fowler, Warren and Mary Margerite Nobles, Charles Prater, Dorothy Clair and La Dell Isbill, Martie Jean McCain, Billie Bryant Jr., Donald Cherry, John Vaughan Jr., Gene Estes, Elmer Feagan Jr., Louis Fry Jr., Truett Mayfield, V. W. Byrd, Ray Laverne Fry and Lucille Owen.

TWENTY YEARS AGO (November 8, 1956)

New highway construction in the Hamlin territory was the principal topic of discussion when all 10 members of the Hamlin Planning Board were present for their second session Tuesday evening at the

City Council room in the city hall, reported Fred C. Smith, president.

Construction of a new farm-to-market road extending north from the Midwest Cooperative Oil Mill in Northeast Hamlin, out by the plant of the Hamlin Sand & Gravel Company, across the Double Mountain Fork of the Brazos River and connecting with the highway running east and west between Asperment and Stamford in the Old Glory community, will be pushed, the group decided after discussion of the importance of such a road. It would serve a territory that is not now served by adequate highways, the group agreed.

Voters of Hamlin and Jones County as a whole declared they did not like Ike as much as some of the rest of the country. In fact Jones County was one of the few counties of the state which stayed in the Democratic

Texas as a whole along with 40 other states of the Union, gave the presidential and vice presidential nominees a majority.

Hamlin voters balloted like this: West Hamlin-Stevenson 296, Eisenhower, 278; East Hamlin-Stevenson 152. Eisenhower

Work is expected to get underway with a few weeks on the new \$60,000 east wing to the Hamlin Memorial Hospital, it was announced Wednesday morning by W. L. Fletcher Jr., president of the Hamlin Memorial Hospital Association, following receipt of word late Tuesday that loans to finance the construction had been approved.

The new wing will provide clinical offices and facilities and quarters for the hospital's doctors, the plans indicate. New kitchen facilities will be built. By removal of the doctors' offices and clinical rooms will be new wing, 10 more patient rooms will be arranged in the present east end of the hospital.

E. S. Morgan, principal of the DePriest Colored School in Hamlin, last week attended the Texas State Principal's Association meeting at Ft. Worth. Sessions were held at the I. M. Terrell High School. Outstanding educators of the South spoke. South spoke.

TEN YEARS AGO (November 3, 1966)

The Pied Pipers will be seeking their second district win Friday night when they journey to Anson to take on the Tigers. The Tigers, pre-season favorites for the district crown, will be fighting to hang onto their tie for second place.

The Pipers fought their way out of the district cellar last week when they knocked off Haskell, 13-6.

Coach Joe Youngblood expects his Pipers to be in better physical shape this week with Lewis Shelton expected to be back at full speed, but he will still be without the services of Bobby Moore and Paul Long. Moore suffered a hip-point in the Winters game and Long has back trouble.

Texas voters who go to the polls Tuesday will be faced with an usually large ballot as they will decide the fate of 16 state constitutional amendments as well as county, state and federal offices.

State-wide, the vote is expected to be fairly light as there is only one major contested race—the race for the Senate seat now held by John Tower. Tower is being challenged for this post by Attorney General Waggoner Carr.

Mr. and Mrs. Ronnie Delmer Hill are making their home at 138 S. W. First following their marriage here Saturday

The bride is the former Emma Marie Branch, daughter of Mr. and Mrs. W. E. Branch of Rt. 1, Anson. Parents of the

bridegroom are Mr. and Mrs. Delmer Hill. Mrs. Roy Server and Mrs. Jack Vaughan attended the 84th annual session of the Grand Chapter of Texas, Order of Eastern Star. in Houston Oct. 24-27.

Mrs. Server, conductress of the local chapter, represented Hamlin Chapter No. 460 in the Glad Tidings session.

On Oct. 27, during the "In Tune With The Infinite" installation, Mrs. Vaughan received a grand appointment. She will be serving on the fraternal visitation committee for 1966-67.

She has been active in the local chapter and has served numerous offices. She served as worthy matron for two years and is presently serving as secretary. She is a past mother advisor of the Rainbow Girls.

## Piper Defense Stops Haskell In Mud for Crucial 7-A Win

Delbert Thompson and the defensive unit came up with the big plays Friday night for the Pipers for a crucial 17-8 victory over the Haskell Indians in a game played on a muddy Indian field.

Thompson, the Piper's big senior runningback, scored both Piper touchdowns and recovered a fumble that set up a first quarter field goal. Thompson, playing linebacker on defense, intercepted a third quarter Gary McAdams pass and returned it 55 yards for a touchdown. And in the waning moments of the game with the Pipers hanging on to a narrow 10-8 lead. Thompson broke loose for a 55-yard touchdown run that put the game away for the Pipers.

The night's leading ball carrier, Thompson carried the ball 17 times for a total offensive effort of 93 yards. Vonnie Hise was high for Haskell with 80 yards in 16

Coming up with the big defensive plays when they were needed, the Pipers stopped the Indians twice on big fourth down plays. Early in the second period the Indians drove to the Hamlin 18 before giving up the ball back on the 27 when Jimmy Ledbetter recovered a bad pitchout.

And again early in the fourth period the Indians drove down to the Hamlin four-yard line before the tough Piper defense stopped the drive.

Haskell returned the opening kickoff to their own 44-yard line and in three plays picked up a first down at the Hamlin 43. They gained five more yards before a sixyard loss put them back on the 45. A high snap sailed over the punter's head with Drew Tomlinson and Tomas Gonzalez tackling the punter, Archie Crim, back on the Haskell 28.

But a 15-yard penalty and a pass interception kept the Pipers from taking advantage of their field position in Indian territory. McAdams intercepted a Paul Reynolds pass at the Haskell 38, but two plays later McAdams fumbled with Thompson recovering on the Indian 40.

Stanley Jones carried for one yard and then Thompson ripped off 21 for a first down at the 18. Jones carried twice for three and then Mike Hymer picked up another first down at the Haskell five on a 10-yard run. Thompson was stopped for a yard loss on first down, was held for no gain on second down and then Hamlin drew a five-vard penalty. A third down pass went incomplete and Jones kicked a 26-yard field goal to give the Pipers a 3-0 lead with 3:37 left in the first quarter

Haskell failed to gain a first down following the kickoff and punted to the Hamlin 38 from where the Pipers gained a first down at the 48 on the running of Thompson and Hymer. Jones picked up another first down at the Haskell 40 on a 12-yard carry.

HASKELL HAMLIN 11 First Downs Rushing Yds.

Passing Yds 0 of 6 Passes Comp. 6 of 14 Passes Int. by 4 for 29 Punts, Avg. 3 for 31 4 for 30Penalties, Yds. 8 for 70 **Fumbles Lost** 

But a five-yard penalty and a five-vard loss forced the Pipers to punt. Vance Lakey was hit by the Indians as he got the punt off and the resulting 15-yard penalty was three yards short of a first down. Reynolds was a yard short of the first down and the Indians took over on their own

Picking up three first downs, the Indians drove to the Hamlin 18-yard line. Facing fourth and two, the Indians missed on a pitch out to Kelvin Marshall with Ledbetter recovering on the Hamlin 27.

#### Three Members, **Advisor to Attend FFA Convention**

Three members of the Hamlin Future Farmers of America, Russell Crowley, Russell Laird and Guy Turner, and Chapter Advisor Milburn Wink, will leave Hamlin early Tuesday morning for Kansas City, Mo., to attend the 49th Annual National Convention of the Future Farmers of America.

During the convention the Hamlin Chapter will be recognized as a silver emblem chapter in the National Chapter contest and as a silver emblem chapter in the building Our American Communities Award Program. The chapter will also be recognized as a Bi-Centennial Chapter as a result of carrying out various activities of "Celebrate'76," a program of the National FFA Organization. Also during the convention chapter advisor, Milburn Wink, will have the Honorary American Farmer Degree conferred upon him.

The chapter members will take part in various activities during the convention. These activities will include all sessions of the convention, attending the American Royal Livestock Show, attending the Agricultural Career Show, and attending a dinner for chapters being recognized in the BOAC program on the national

The group will return to Hamlin Saturday.

Arnold Herd 576-9432

The Pipers moved out to the 42 before being forced to punt to the Indian 32. Haskell picked up a first down to the 43 before a five-yard loss and a five-yard penalty forced them to punt from their own

Reynolds picked up 12 yards for a first down at the Haskell 40, but then had a pass stolen at the Indian 18 with 21 seconds left in the half. The Indians ran out the clock and the two teams went to the dressing room with the Pipers nursing a 3-0 lead.

Neither team could get much going during most of the third period until Thompson picked off McAdams' pass and returned it 55 yards for a touchdown with 1:06 left in the period. Up to that point Haskell had managed one first down and Hamlin none.

Thompson intercepted McAdams' pass near the middle of the field and took off to his left and went in for the score standing up. Jones added the point after to build the Piper lead to 10-0.

Haskell took the kickoff and returned it to their own 37. Calling on their big fullback Vonnie Hise for most of their yardage, the Indians picked up four first downs and moved the ball to the Hamlin 12 in nine plays. Marshall gained three to the nine, Jimmy Browning picked up three more to the six and then Hise picked up two to the four-yard line as the Piper

#### **Bake Sale Set** Here Saturday

The teens of the Nazarene Church will sponsor a bake sale Saturday beginning at 9:30 a.m. in front of Piggly Wiggly Supermarket.

This sale will be their last to be held until February. Proceeds from the sale will be used to help the teens' budget and expenses to N.Y.P.S. Convention to be held in April.

For special orders call 576-2297 or 576-2480.

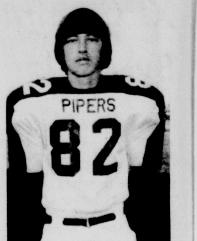

goal line defense stiffened. Facing fourth and two, McAdams bobbled the snap from center and was stopped at the four.

Picking up a spark from the defensive effort, the Piper offense came alive for the first time during the second half and drove to the Haskell 36 in 13 plays before giving up the ball on a fumble. The drive which picked up four first downs used up much of the final period of play.

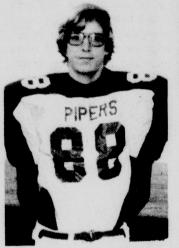

Taking over on their own 35 with 2:00 minutes left on the clock, the Indians took to the air with a third down pass from McAdams to Frank Jordan picking up a first down at the Hamlin 33. A halfback pass from Marshall to Jordan was good for 33 yards and the touchdown. Browning picked up two points to cut the Piper lead to 10-8 with 1:25 left in the

Haskell tried an on-side kick with the ball going out of bounds at the Hamlin 45. Trying to use up the clock, Reynolds carried for one and then Thompson gained four to midfield. With 1:08 left on the clock and needing five yards for a first down, Thompson ran a sweep to the left cut back over the middle and raced 50 yards for the score. Jones made it 17-8 with 56 seconds left on the clock.

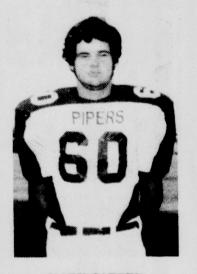

Haskell returned the kickoff to the Indian 45 and McAdams passed to Crim for 17 to the Hamlin 38. Two passes went incomplete and then McAdams passed to Marshall who was dropped for a 16-yard loss as the game ended.

## Philosopher Says Women's Liberation Has Taken A Setback In Mysterious China

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route one discusses China this week, which is pretty far afield for him.

Dear editor:

Since I don't even know what's going on in the political world in Hamlin, I'm certainly not qualified to discuss what's going on in China.

As I understand it, Chairman Mao has made the biggest mistake a dictator can make: he grew old and died.

Naturally when this happens there's a scramble for his job, with a lot of politicians arguing with whatever guns they have at hand that each is the best qualified to lead the people toward a better life, each being equally willing to demonstrate to the masses what that better life is by taking over the fallen dictator's limousines, town house and country estate.

It's an odd thing, but I've noticed that around the world you can't tell by the kind of car a man is chauffeured around in what form of government he's the head of.

But what I started out to do in this uninformed discussion of China was to point out what a setback the change in power over there has given Women's Liberation. Here one day Madame Ching, wife of Chairman Mao, is being cheered and waved at by the masses as she rides through

#### **McCaulley Rites Held Friday for Robert Hulsey**

Funeral for Robert St. Clair Hulsey, 70, was held at 2 p.m. Friday at McCaulley Baptist Church with the Rev. George Caffey, pastor, and the Rev. Richard Babb of Sylvester Baptist Church, officiating.

A resident of Rt. 1, Mc-Caulley, since 1919, he died at 12 p.m. Thursday at Hamlin Memorial Hospital.

Burial was in Sylvester Cemetery under the direction of McCoy Funeral Home.

He was a farmer. Born April 23, 1906, in Texas, he was the son of the late Mr. and Mrs. Lucious Hulsey. He married Lillian Green at Hamlin Oct. 22, 1933.

Survivors include his wife, Lillian; two brothers, Jim Hulsey of Wichita Falls and Henry Hulsey of Abilene; two sisters, Mrs. Alma Carter of Hamlin and Mrs. Mariene Goodman of Abilene.

Nephews were pallbearers.

#### **Graveside Rites Held Wednesday** For Mrs. Friend

Mary Rose Friend, 82, of Hamlin died Saturday in Junction City, Kan., where she had lived the past three and one-half years.

Graveside services were held at 10:30 a.m. Wednesday at Hamlin East Cemetery. The Rev. Vernon Mayfield

officiated. Burial was under the direction of McCoy Funeral Home. She was born Oct. 31, 1893,

in Hamlin. She died one day before her 83rd birthday. Survivors include one

daughter, Rosemary Buchanan of Kansas; two grandchildren, Kathy and Tracy, and several nieces and nephews, including Mrs. Clyde Minshew of McCaulley. and Cecil Terrell of Hamlin.

Mr. and Mrs. Luther Parker of Redondo Beach, Calif., visited his sisters, Mrs. Dan Branscum, and Mr. and Mrs. J. W. Maberry and family.

Gary Don Maberry has moved from Lubbock to Andrews and is employed by Contintental Oil Company. He graduated from Texas Tech University July 10 with bachelor's degree in business administration.

Mr. and Mrs. Lesley

the streets of Peking, and a few days later Widow Ching is in jail and being jeered at

by the same masses. It's one thing to say the times are not ripe yet for a woman to become President, I mean dictator, of China, but it sure seems male chauvinistic to throw her in jail for

trying.

But 1 guess that's the mysterious Orient for you. In China, it's true, women have made great strides in seeking equality. In the cities they've attained the right to sweep the streets, shovel snow, lay bricks, build roads and stand shoulder to shoulder with men to wave at whoever they've been told is the new dictator. Out in the rice fields they're even allowed to pull a plow and, when the rice is

harvested, tote the bags. China is a dark mystery, and to nobody more so probably than the average Chinese. Those folks are even

worse than we are about not going to the polls. Tell me, what's going on in

Hamlin? Yours faithfully,

Any time after crops mature in the fall is an ideal time to take soil samples, says County Extension Agent, Kirby Clayton.

plants reach Once maturity, he says, they virtually stop taking up nutrients. Therefore, the soil's nutrient state will remain about the same until planting time next spring.

"There are many advantages to soil testing at this time," says Clayton. "If you think fertility caused reduced yield or unusual symptoms in some areas, sample these areas separately so that a comparative evaluation can be made."

Other reasons for soil testing this time of year include pleasant weather and more favorable soil conditions, he adds.

Although overall shortages of fertilizer are not anticipated, Clayton says, there can be a big advantage in

By TRANELL

MAR-JO'S MERLE NORMAN having time to make plans with your dealer for the material needed.

The possibility of fall application of all or part of next year's fertilizer soon after harvest in another important consideration, he adds.

Information on how to collect representative samples can be obtained from the county agent's office.

"This material should be carefully read for suggestions and precautions because only a properly collected soil sample can adequately reflect the existing plant nutrient

U. I. L. twirling contest.

With 29 members present, the Youth Leadership Team met in the high school library for two days for counseling by Shirley Temple and Kyle Eldridge from Abilene.

The members are seniors, Jan Ford, Barbara Hooper, Melinda Johnson, Tomas Gonzalez and Paul Reynolds; juniors, Jami Crowley, Linda Marcom, Olivia Marshall, Leeia Phariss, Roger Gonzalez and Guy Turner; sophomores, Stacy Bell, May Ruth Brown, Irma Gonzalez, Stephanie Hymer, Mark Carter and Kelly Ferguson; freshmen, Martina Gonzalez, Teresa McMillen, Geneva Shelton, Laurie Willingham. Steve Campbell and Todd Marshall; and eighth graders, Gina Marshall, Mariam Martinez, Lorna Phariss, Steve Contreras, Gordon Roberts and Charlie

Smith. The sponsors are Sue Flores and Samuel C. Ferguson. Allen Young was

not present because of illness. The purpose of the group is peer counseling for all students in the Hamlin Independent School District.

They will also try to go to Anson to counsel there. The Distributive Education class held an employer appreciation banquet Monday

evening in the high school cafetorium. Dr. Dan Smith, head of the D. E. Department at Angelo

State University, was the guest speaker. Rhonda Hart presented a necklace as
